

# Art Vancouver 2023 Exhibitor Package

May 4 - 7, 2023

Vancouver Convention Centre

**ART VANCOUVER**  
INTERNATIONAL ART FAIR

# A Global Art Fair

For four days each year, the global arts community connects and collaborates in the beautiful city of Vancouver.

Presented by the non-profit Vancouver Visual Art Foundation, Art Vancouver returns in 2023 for the seventh time. The international art fair features visual works from artists and galleries from across Canada and over 20 countries.

With its picturesque location on the west coast waterfront, it's a perfect event if you are looking to showcase artwork to a diverse market of collectors and professionals.

# An Exciting Weekend to Anticipate

“Take a great location, add great timing, blend in many well-known local and international artists, garnish with corporate sponsorships which includes important Canadian art publications. Voila - you have a cultural event worthy of comparison with other important art fairs around the world.”

**Jim Finlay, Principle, Finlay Fine Art Appraisals**

“Art Vancouver is a well organized arts based event featuring artisans from different backgrounds providing many artforms to the public. There is so much to see!”

**James Darin Corbiere, Exhibitor, Eastern Woodland Art**

“The interaction with the public is very enriching for artists especially in Vancouver where you feel like if all the city came to see the event.”

**Mohamed Ben Soltane, Exhibitor**

“Beautiful and bright venue to show off talent from all over. The Face of Art Runway is a unique and not to be missed experience.”

**Sandra Morellato, Exhibitor**

“My buyer was in the Art Vancouver show, looking for two eagles for her ranch. [She] bought both of them. The Art Vancouver show has changed my life. It was an amazing experience, and I can't wait to be there next year.”

**Wes Seeley, Exhibitor**

# The Perfect Location

**Present and sell your artwork to visitors and buyers from the globally connected city of Vancouver**

One of the fastest growing cultural hubs in North America, the beautiful city of Vancouver, with its scenic setting, mild climate, and friendly people is recognized as one of the most popular destinations in the world.

Vancouver is Canada's most culturally diverse metropolis, attracting global investors seeking residence in the world's third most livable city (*The Economist*). As a truly global city and Canada's gateway to Asia, Vancouver boasts a diverse and prosperous economy and continues to grow as a leading destination for discerning visitors.

"Vancouver is Manhattan with mountains. It's a liquid city, a tomorrow city, equal parts India, China, England, France and the Pacific Northwest. It's the cool North American sibling."

*The New York Times*

# Exhibition Events

## “The Face of Art” Runway Show

An Art Vancouver favourite, “Face of Art” is a unique and exciting opening night event. Similar to a fashion show, artists will walk down the runway holding an example of their artwork. This allows the audience to see the artist and helps to put a face to the artwork.

## Guest Speakers & Panel Discussions

A variety of prominent art professionals will speak on the main stage throughout the four-day event.

## Guided Tours of the Fair

Regular guided tours showcasing certain exhibitors and their work will be offered over the course of the weekend. Commencement times will vary.

## Art Workshops

A series of art workshops taught by experienced instructors will be offered over the course of the weekend.

## Art Masters Painting Competition

Eight artists compete in a race against time, creating their own original work with a mystery box filled with various art supplies. Each artist has one hour to complete an art piece based on a theme that is announced at the start of the competition.

# Online Reach

**Art Vancouver**, with our supporters, exhibitors, and media partners, has an extensive online reach. This includes various social media channels (Facebook, Twitter, and Instagram), newsletters and online media releases, complemented by print, broadcast, and more.
